

# National Center *for* Access to Justice

AT FORDHAM LAW SCHOOL

Dear Legal Aid Leader,

We are asking for your help to strengthen civil legal aid. Please answer this [survey](#) now to include your organization and its number of civil legal aid attorneys in the Civil Legal Aid Attorney Count.

The [survey](#) findings will enable you to benchmark your state relative to others, and to advocate for greater civil legal aid support. People who have done the survey tell us it takes only five minutes.

This project is a part of the [Justice Index](#), hosted by the National Center for Access to Justice. The ABA, NAIP and NLADA have each encouraged legal aid leaders to complete the survey. For more information, see [Legal Aid Attorney Count](#) and [Justice Index Overview](#).

Please click on the [survey](#) to send us your answers now and join in this important national effort to help strengthen civil legal aid.

Thank you,

David Udell
